Bulletin 3

Welcome for European Water Ski Racing Championship

It is my great pleasure and my privilege to give a few words of welcome to everyone to the beautiful city of Krems on the River Danube in Lower Austria for the 2016 European Water Ski Racing Championships.

We always enjoy our Racing on the Danube, but this the first time that we have been based in Krems.

On behalf of the IWWF Region Europe and Africa Racing Council I wish all the Competitors, the Supporters and the Officials alike, a splendid week- long Championships, which will commence on August 6th.

I am very aware of the great deal of hard work that the main organiser Georg Forstel, and his team have put into this event and we are most grateful to them for their efforts.

It is not always easy to hold such an event at a new venue, and we must all applaud and please support Georg and his team for their work. Our thanks also go to the other local sponsors and agencies that have supported Georg in this initiative.

We are all now eagerly looking forward to the Championships and I sincerely hope that everyone will have an enjoyable, competitive but safe Championships in Krems.

Yours in water ski racing
